Have the guts (I wish I had the guts):

If you have the guts, you have the courage to do or say something. Someone who is courageous is “gutsy”.

1. Do you **have the guts** to go diving with great white sharks?

3. If you **have the guts** to go and live in a foreign country and experience a totally different lifestyle, it can be a great adventure and can really enrich your life.
4. When you make a mistake, it **takes guts** to be honest and tell the truth.
5. Do you **have the guts** to take risks, whether it be a dangerous situation, financially or otherwise?
